Full-Service Grooming on Dogs or Cats – for long or short hair dogs: Prices vary. Ask for base price. Actual price depends on the pet's coat condition. Tell us how you would like your pet styled (please attach photo if you wish):

Bath, Ears, Nails (B.E.N.) – for short hair dogs only: Refreshing bath, choice of shampoo, ears cleaned, nails dremeled when possible, excess water blown out of coat with a high-power dryer to make coat light and fluffy.

Prices based on breed, size, coat length and condition. Ask for an estimate.
